**RESPONSE TO RESTRICTION REQUIREMENT**

Sir:

In response to the Office Action dated August 5, 2005, applicant provisionally elects the claims of Group I (claim nos. 1-33) and species A, with traverse.

As set forth in **M.P.E.P. § 803**, if the search and examination of an entire application can be made without serious burden, the Examiner must examine it on the merits, even though the application contains claims to independent or distinct inventions. While the liquid crystal display with thin film transistor of Group I and the method of forming a thin film transistor of Group II may be distinct for the reasons set forth by the Examiner, it is respectfully submitted that simultaneous examination will not
